DISTANCE EDUCATION

Our distance education program offers students the freedom to learn on their time. This teacher-supported computer program works on almost any device. In addition, targeted lessons for each subject area are assigned to students as needed. Students are required to work a minimum of five hours a week.

ADDITIONAL SERVICES:

- HSE+
- Content Specific Courses
- Workforce Development
- College Access Bridge Program
- HSE Support Course: Rotating Topics

ATTENDANCE POLICY

Participation is vital to the learning process. As an education program we hold our students to a 75% attendance policy.

We do, however, understand that events happen, so students have a number of ways to make up time that they miss from their class.
