

WORKFORCE DEVELOPMENT

IS YOUR BUSINESS EXPERIENCING... Low performance? Stagnant workforce? High turnover rates?

...THEN OUR WORKFORCE DEVELOPMENT PROGRAM MAY BE FOR YOU!

WHAT WE CAN DO:

- Improve employee productivity, safety and teamwork.
- Help reduce communication barriers in the workplace
- Increase employee retention
- Improve long-term time and money savings by offering trainings that can help your employees:
 - Prepare for certification testing
 - Increase promotability skills
 - Learn English as a Second Language
 - Prepare for the High School Equivalency/GED® Test
 - Prepare to enter post-secondary education

DID YOU KNOW?:

- Employees participating in workforce development training better their communication, accuracy and problem-solving skills.
- Our fee-based programs help employees, businesses, and organizations grow and contribute to the success' of the region.
- Our professional trainers use proven teaching methods and materials to give employees of varying skill sets the education and training they need.

MAKING A BETTER WORKFORCE

Are you looking for a dedicated workforce? Our students are looking for YOU! Adult education students demonstrate the persistence, stamina, and critical thinking skills you need in your workplace.

Let us help you create a talent pipeline that links our students and graduates to your jobs.
